Walking School Bus

2009-02-19

We are pleased to confirm that we now have four Walking School Bus (WSB) routes in operation. Please encourage your children to walk with our parent "drivers" on any of the five routes. The children simply join the "bus" at any designated stop at the times indicated. We also suggest that parents use the WSB routes as alternative pick up/drop off points to minimise congestion in the drop off zone and on Glamorgan Drive.
