Term 3, week 1: 22 July 2010

Kia ora koutou. Hello everyone

Welcome back to our third term of the 2010 school year, and a special welcome to the new families who have joined Glamorgan School this week.

Parent/Teacher Discussions

You should have received information sent home on Monday regarding our second Parent/Teacher Discussions for the year. These will be held on Thursday 29 July from 1 to 8 p.m. All children will be dismissed from school at 1.00 p.m. on Thursday 29 July. Any children remaining at school will be supervised in the Library/Information Centre until 3 p.m.

Parent/Teacher discussions are a time to ask questions and give information about your child. Some questions you might ask are:

What can my child do well? What do they need help with? What do you need to know about my child to help them in the classroom? How will school support them and what can I do at home to help?

Please note: Only your eldest child at school will have brought home a form to complete and return for the whole family. If you did not receive the form please let your child's teacher or the school office know and we will send another form home. These forms should be returned by tomorrow Friday 23rd July.

Team Photos

Team photos will be taken on Thursday 29th July. Children in sports teams will need to bring along their sports uniform including appropriate socks and sports shoes. The rugby team will be supplied with a uniform.

Approximate photo times are:

9:00 Senior Netball (Yrs 4,5 and 6)

9:20 Junior Netball (Yrs 1,2 and 3)

9:40 Hockey, Miniball and Rugby teams

9:50 Cross Country, Librarians, Choir and Road Patrol

Children are to stay in their classroom when the bell goes at 9am until they are called to the hall.

Reporting to Parents

Just before the holidays you all received the first written mid year reports as required under National Standards legislation. Our aim in these reports was to give information about what your child can do now, their next learning goals and how you can help at home in language that is to the point and easy to understand.

We would like some feedback on our reports and at the parent /teacher discussions next week there will be a feedback form outside the classrooms for you to fill in if you have time. If you are available to meet with me on the afternoon of Wednesday 28th July between 2pm and 3pm to give feedback in a group situation please let the office know. I look forward to hearing your comments!
