

Glamorgan School - Park & Walk

Did you know there are some great park & walk or drop off zones around our school? Help keep the school gate clear of cars so it is safer for everyone.

Geoffrey Rd

Park on the western side of Geoffrey Rd, walk to Glamorgan Drive and cross at the school patrolled crossing to the school gate. Enjoy a five-minute walk to start the day.

Danbury Drive

Park on either side of Danbury Drive and walk to school via the walkway. Cars can turn safely in the cul-de-sac. Do not drive into the residents drive at the end of the road. Children enter & exit here & there is limited area to manoeuvre vehicles.

Carnmore Place

Longer walk park in Stredwick Drive. Walk with your children via the walkway - exiting at Mizen Court. Enter the school via the back walkway off Carnmore Pl. A great way to start the day. *Shorter walk:* Park in Carnmore Pl and walk to school via the walkway.

Report walking hazards e.g. broken footpaths, overgrown vegetation to the North Shore City Council Action Line. Ph: 486-8400.

Glamorgan School

Glamorgan School is a TravelWise School

Please help us make journeys to and from our school active, social, safe and sustainable.

TravelWise is supported by the Auckland Regional Transport Authority in partnership with North Shore City Council

TravelWise

thinking transport.

Did you know Glamorgan School has some great Walking School Bus routes?

Please complete and return this page to the school office
If yes, please tick the box

- I am interested in being a Walking School Bus Volunteer on an existing or new Walking School Bus route and would be happy for someone to contact me.
(A Walking School Bus operates with a group of parents who are rostered to walk with a group of children)
- I am interested in my child being part of a Walking School Bus.
- I am interested in carpooling (I agree for my details to be given to other families who live in my area and also receive details from other families who want to carpool).
- I am interested in supervising on the school patrol crossing and would be happy for someone to contact me.

Walking

We encourage you to walk with your children to and from school as it:

- Helps improve your child's fitness and health (and yours).
- Gets them to arrive at school awake, alert and ready to learn.
- Keeps the school gates clear of cars, so it is safer for everyone.
- Helps your child to learn road safety skills and become familiar with their community.
- Reduces polluting car emissions in the environment.

Driving

If you need to drive, please observe and discuss with your child the following safe practices:

Dropping Off

- Park a short distance from the school and walk with your child/ren to school. *(Help keep the school entrances free from cars to make it safer for everyone.)*
- Always park beside the footpath and ensure children exit vehicles on the footpath side and not the road side.
- Always use pedestrian crossing facilities to cross the road.

Picking up

- Park and walk to the school grounds to meet your child/ren.
- Do not wave or call your child/ren across the road.
- Always educate your child/ren to use the pedestrian crossing.
- Always role model good road safety behaviour to your child/ren and teach safe habits.
- Always drive slowly near the school and watch for pedestrians and cyclists at all times.
